Employment

Freelance Designer | Boston, MA

Graphic Designer—2008–present

Work solely and in collaboration with clients to concept and provide design solutions for company identities, websites, brochures, environmental graphics, and direct mail. Provide art direction on photo shoots. Industries served include fashion, architecture and energy.

Continuum | West Newton, MA

Freelance Graphic Designer—2008–2010

Collaborated with creative team of designers and copywriters to concept and produce innovative retail window and in-store graphics, posters, video and supporting materials for Sprint. Assisted in creative planning and art direction of photo shoots to support concepts. Produced usage guidelines for final creative. Also worked with internal marketing group to promote studio and studio-run workshops according to brand standards. Projects included brochures, posters, email templates, environmental and web graphics.

Houghton Mifflin Company | Boston, MA

Senior Production Coordinator—2004–08

As a key team member at an educational publisher, managed the development of children's books for the K–12 market. Developed schedules and processes to meet overall project goals and deadlines. Trafficked design, composition and editorial work to ensure deadlines were met. Oversaw pre-press of files to ensure proper RIP and overall quality of printed books. Instrumental in establishing a relationship with a new overseas vendor and managing the composition of the first 4-color project sent overseas by Houghton Mifflin.

Self-Employed | Boston, MA

Marketing Consultant/Graphic Designer—2003–04

Consulted clients on implementing or improving marketing strategies. Designed logos and identity systems. Worked in collaboration with other designers in creating collateral material. Wrote promotional copy and press releases.

Duckham + McDougal Architects | Boston, MA

Marketing Coordinator—2002–03

Managed marketing activities at a high-end residential architectural studio including corporate identity, collateral development, direct mail, advertising, website maintenance and public/media relations. Coordinated photography shoots. Planned and implemented the studio's first advertising strategy, targeting new market segments.
